Your Temporary Surface Protection Headquarters

RAM BOARD

Temporary floor protection is non-staining allowing for the curing of new floors while resisting water, paint, mud and more. The perfect solution when protecting most floor types.

- .46mil Professional Grade Thickness for superior floor protection.
- Wall Guard™ feature.
- Flex-Fiber™ technology.
- Exclusive Spill Guard™ technology.
- Lays fast and flat.

Ram Board Plus+

Temporary floor protection

- Comes Pre-Taped for faster installation times.

Ram Board - Home Edition

(not shown)

Designed with cost and efficiency in mind.

Ram Board Seam Tapes

Designed to hold Ram Board seams together. Its 3" width gives more of an allowance to cover Ram Board seams.

Stair Armor

Paperboard stair protection product made with heavy-duty Ram Board. Featuring adjustable tread sizing, bull-nose protection, and Spill Guard Technology.

RAM BOARD

Heavy-Duty Door Jamb Protectors

- Quick & easy to install.
- Re-usable
- One size fits 4"-9" door jamb widths.
- Available in 36" and 60" lengths.

- GRIPSPOT slip resistant walking surface

Protective Floor Covering

Gatorshield is a high strength synthetic floor protection product designed for temporary use in new construction, renovations and for moving projects. Keeps floors clean and protected.

- Easy To Use
- No Stains
- Slip Resistant
- Durable
- Re-Useable
- 100% Recyclable

SURFACE SHIELD

- Carpet Shield

Self-adhesive temporary floor protection film keeps floors clean and damage free while building, remodeling or painting. This film does not shift and is highly resistant to tears.

- Multi-Surface

Take advantage of protecting multiple types of flooring and counter tops with just one roll of Multi Surface Protection film. It's easy to use and comes in many sizes.

- Water Shield

Protect expensive flooring from paint, water and more. Twice as thick and more durable than Kraft paper, Water Shield is the superior alternative to red rosin and generic masking papers.

- Multi-Applicator Film Dispenser

The ultimate tool for applying rolls of protective film. The Multi-applicator is designed with a simple push button loading feature that makes swapping out film rolls quick and easy.

Dick's Lumber

Temporary Surface Protection

- Moisture resistant
- Hardwood - Concrete - Tile & more.
