

FLOOR & JOBSITE PROTECTION

Cover surfaces with Ram Board® during home remodeling and commercial construction projects.

- Thick, durable paperboard protects floors from water, scratches and stains.
- Stands up to scaffolding and heavy equipment.
- Rolls out fast and flat.

Available in:

36"x 50' 36ml Home Edition

38"x 100' 46ml Original

38"x 100' 46ml Plus (with tape)

Surface Shields
Surface Protection

Surface Shields offers an expansive line of temporary floor and multi-surface, self-adhering protective film. Designed with professionals in mind, yet convenient and easy enough for everyone to use. Flooring, Construction, Painting, RV and Moving. Surface Shield minimizes clean up and damage claims.

Water Shield - Water Resistant Paper

Protect expensive flooring from paint, water and more. Twice as thick and more durable than kraft paper, Water Shield is the superior alternative to red rosin and generic masking papers.

38"x 300'

Gatorshield - a high strength synthetic floor protection product designed for temporary use in new construction, renovations and moving projects. Keeps floors clean and protected.
Absorbent - Durable
Easy to Use - Multi-Surface
Cost Effective

Unlike paper products Gatorshield is designed for multiple time use. Simply wipe or vacuum surface and roll up for easy removal and relocation.

GRIPSPOT slip resistant walking surface.
